

RECYCLE

Because It's The Right Thing To Do!

Here is a residential recycling container for your use.

LABEL YOUR CONTAINER

Take a magic marker and write your address on the bottom so it can be returned just in case strong winds blow it down the street.

PICK UP PLACE AND DAY

Curbside on your regular solid waste pick up day. A separate crew will pick up recyclable materials and turn your container upside down on the parking. Please remove the empty container from the parking after it has been emptied.

RECYCLABLE ITEMS

Newspapers, shoppers with inserts, magazines, hard plastic #1 & #2 (gallon milk jugs, shampoo and liquid soap bottles, etc.), clean corrugated cardboard boxes (no waxy finishes or product containers), metal/tin cans and jar lids.

NON-RECYCLABLE ITEMS

Food wastes, grass/yard materials, toxic materials, junk mail, coated milk cartons, soap or cereal boxes, food containers, Styrofoam, sheet plastic, pizza boxes, aerosol containers.

WHEN TO RETURN CONTAINER

The containers are the property of the City of Estherville
We will take back containers that are constantly being misused.

The recycling container is for recyclable items only. If you move out of town or discontinue use of the container, please call us so we may pick it up.

If the container is not returned to us upon leaving the city, you will be charged for the container on your final utility bill.

FOR MORE INFORMATION

Call the City Offices at 362-7771 if you have any questions about our residential recycling program.
